CHANGES from Spring 2017 continuing for Fall 2017-SPECIAL REQUESTS

Intramural Program (Kindergarten – 3rd/4th Grade): BSC will attempt to honor requests for transportation (but the request is limited to one other player); however, no guarantees/promises will be made. Parents may no longer request their child's coach. Players are rostered on a first come/first received basis.

Recreational Program (5th/6th Grade - 12th Grade): BSC will attempt to honor requests for special needs, like transportation; however, no guarantees/promises will be made. Players are rostered on a first come/first received basis.

BSC reserves the right to disregard special requests for the Intramural or Recreational Program in order to balance team rosters with respect to level of playing ability, age and/or gender. BSC also reserves the right to redraft age divisions as necessary to ensure that the maximum number of children are able to participate.

CHANGES for FALL 2017 – GAME DAY/GAME TIMES

Because of parking restrictions at each venue, only a limited number of games can be run at any one time.

- **Kindergarten through Fourth Grade:** Based on Survey results we will be modifying the game schedule format for Fall so that there will be only one Kindergarten - 3rd/4th grade game (one game at each age group) being played during each time period.

- **Fifth through Twelfth Grade:** Games will be scheduled beginning at 9:00AM Saturday mornings and extending throughout the day.

If your child participates in an age group having an ODD number of teams, you should expect Sunday afternoon games to allow each team to play at least one game each weekend. Sunday games will not be scheduled any earlier than 1:00PM.

Refund Policy - All Refunds are subject to a \$25 Administrative Fee. See the BSC website, www.boyertownsoccerclub.net, for the complete current refund policy.

Playing Locations – Different divisions play and practice at various locations. Exact playing locations for any age division cannot be finalized until we have determined the number of teams and age divisions after the registration deadline. In general, teams play at the Washington Complex behind Washington Elementary School, Victoria Field Complex, WTMA (sewer plant), Padre-Pio Center and Middle Creeik Field in Gilbertsville. Please keep this in mind when registering.
