Club
JK Field Sponsorship Package 2020-22

Boyertown Soccer Club (BSC) has enjoyed a long-standing relationship with the Washington Township Board of Supervisors in Berks County for many years. Thousands of children and families have enjoyed these Fields at Washington Elementary, and Washington Park and Victoria Fields. When the idea of creating a new field was introduced, the Township Board of Supervisors offered the land to BSC and has been providing support to BSC throughout the planning process.

Since 2015, BSC along with the Karchanaphati Family, have been raising funds to build a one of a kind field in memory of their son Jacob Karnchanaphati. Jacob was an active member of BSC and played for both travel and recreational teams. Through his love of soccer, he made many friendships and cherished memories on and off the field. We are excited that the time has finally come to open this amazing field and give families in the community another place to create lifelong memories for years to come.

Boyertown Soccer Club is a 501(C)(3) Not-For-Profit Organization dedicated to the development of youth soccer in South Eastern Pennsylvania. The Club's vision is to develop players who play soccer well and grow as individuals and teammates inside a

supportive community. Through proper instruction, training, and encouragement, the club is coaching players to be champions with character, both on and off the field.

We are pleased to present a very exciting opportunity for local businesses to not only support this wonderful cause but also market their businesses year-round at JK Memorial Field.

We are offering prime locations for "banner advertising" around the area of the field. Banner advertising is one of the most cost-effective consumer marketing campaigns in increasing brand or product awareness.

The banner size is approximately 5ft x 3ft with multiple print color options. We are offering two different sponsorship opportunities for you to consider that allow for a level of financial commitment that is comfortable for you. Please read on to determine which sponsorship level is right for you and complete the sponsorship registration form.
