Address: 3065 North Charlotte Street Gilbertsville, Pa 19525

Ages: Current 6,7 and 8 year old boys and girls

Player needs: Water/Gatorade, shin guards, futsal ball (if you have one) and sneakers, players will need to wear masks.

Parents support: Because of COVID restrictions, parents will need to drop off and wait in the parking lot (or return at pickup time.). Drop off location and pickup location will be sent when registered.

Program Description:

BSC will provide three free training for our 2012/13/14 boys and girls players who are interested in enhancing their soccer skills while also being placed in a more structured setting. The program goals are to continue enhancing their fine motor skills and develop technical competence on the ball. We will also be introducing the players to the exciting game of futsal and the skills involved. Our players will enjoy fun and educational training sessions under the guidance of our professional staff. Because of limited gym space, sessions will be restricted to 12 players. First come, first serve.
